

FOR THE LADIES IN THE ASSEMBLY AND THE NEW CANDIDATE'S WIVES

My team and I have been asked many times about the dress code for the Exemplification. This letter will try to answer your concerns.

If the Exemplification is completed in one day, or you are only attending for the day we suggest that you may want to wear a suit, dress, or pantsuit that is appropriate for Sunday Mass. You may want to take some casual clothing to change into for visiting the hospitality rooms in the evening or for the ride home.

If the Exemplification is the one such as Cherry Valley Lodge in April of this year and you plan to attend the Father McGivney Past Faithful Navigators Dance, the dress is slightly different.

For the dance we are asking the gentlemen to wear a sport jacket, dress shirt and tie but no tuxedo. For the Ladies, a pretty dress or pantsuit or something business casual.

For the Ladies Luncheon and Program we are asking the ladies to wear an outfit you would wear for Church and please include a hat with your outfit. This is something new for this year. Also new this year, we would like the Navigators' wives to introduce the candidates' ladies from their assembly at the luncheon.

There is some time between the ladies program and the Mass. Some ladies change into comfortable clothing while others simply relax in their room. The Sir Knight will be in his tuxedo, so you may choose to wear a little more formal outfit for the Mass and the banquet that follows after.

When the banquet is over, that may be the time that you want to change into an outfit that is casual, so you can visit the hospitality rooms.

The only other outfit you will need is a change for the ride home.

If you have any other questions, please contact me at 614-864-8414.

Thank you.
